ABOUT NOSTRALIS

We're Nostralis and we've been serving delicious wholemeal vegetarian pizza since 1981. Our bases are made with 100% organic wholemeal flour and we pride ourselves on only using the freshest ingredients.

But we haven't stopped there. The cheese we use is made with vegetable rennet, and we've even extended our offering (by request) to include 100% soya cheese (Cheezly) and gluten-free, wheat-free bases so vegans and coeliac's don't miss out.

Our loyal customers travel great distances to eat Nostralis and we're humbled by the amazing feedback they've left about our food. So if you're hungry, and want some mouth-watering guilt-free pizza, check out our menu and place your order now!
